December 2022

Hi Lou,

We hope you are as excited as the Kids Hope team that Christmas is just around the corner. School will be finishing soon too and you will hopefully be able to take some time to rest and be with your loved ones and friends. But before you go, please take a moment to end the year well with Kids Hope.

ENDING WELL

At the end of each year, we have many mentor children who graduate or move to new schools. It is always sad to say goodbye but it is also a celebration of the amazing relationship that was grown between the mentor child and mentor.

The card pictured above, was given to Clive from his mentor child and it captures how many of our mentor children feel as they say good bye. What a wonderful thank you to Clive for all that he has given to this young boy. Although their relationship has ended, it has ended well!

Thank you Clive and all of our precious mentors. You have been the perfect gift to your mentor child.

THE PERFECT GIFT!

We know that finding gifts at Christmas can often be very challenging. But what if we told you for that for just \$25 you could give the perfect Christmas gift whilst bringing joy and hope to a child.

This year, donate to Kids Hope on behalf of a loved one, and you will receive a beautiful certificate as their gift for Christmas.

This is a gift that will raise a child up beyond their circumstances into a life full of hope. [Click here to give the perfect gift of mentoring today!](#)

THANK YOU FOR YOUR INPUT!

Thank you to all of the teachers, chaplains and mentors who took the time to complete our 2022 Evaluation. Our Evaluation Report clearly articulates the impact of our program through the vital input of our mentors.

On that positive note, we're going to call 2022 a wrap! We will be closing the office from 22 December 2022 to 2 January 2023, but we cannot wait to reconnect with you next year. Have a wonderful Summer and best wishes for a Christmas full of hope!

Sincerely,
The Kids Hope Team
